STRANGER KILLED BY TRAIN

On Tuesday evening, about 7 o'clock, as a west bound C. & O. freight train was backing up to the water tank on the West Side, a strange man was knocked down and run over by the cars, cutting his body in two and severing his right arm.

There were no papers on the person of the man by which he could be identified and no one knew who he was.

Coroner Graham was notified and took charge of the remains. A jury was empanelled and a verdict given in accordance with the facts.

LATER—The man was afterwards identified as Mr. Fountain Farmer, of Lincoln county, by his brother-in-law, who lives near Benson Station.

A SCIENTIFIC DISCOVERY.

Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol Dyspepsia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by J. W. Gayle.

NEW STATE RAILROAD COMMISSION.

The new State Railroad Commission, consisting of Mr. D. Ferguson, from the First District; C. C. McChord, from the Second District; and A. T. Siler from the Third District, met in this city, on Tuesday last, and organized by the election of C. C. McChord, President and Moses Glenn, of Muhlenburg county, Secretary.

NARROW ESCAPE.

As Mr. Newton Hale was crossing the river in a small boat, en route to his place of employment (the saw mill of Messrs. T. J. Congleton & Bro.), on Tuesday evening, his boat was upset by some barges in charge of the towboat Al. Martin. Mr. Wm. Stofer, one of the hands on the towboat, seeing the peril of Mr. Hale, sprang into the river and assisted Mr. Hale until picked up by the boat crew.

It was a narrow escape for Mr. Hale, who is a man some 70 years of age, although sturdy and strong for one of his years.

Mr. Stofer did a brave and gallant act in plunging into the icy water.

Mr. Hale lives on Kentucky Avenue, just opposite the mill where he is employed as a night watchman.
